Department of Electrical & Computer Engineering

PhD PLAN of STUDY

Major Field _____

Minor Field _____

This plan of study is to be completed by the student in consultation with his/her major professor and submitted to the Graduate Studies Committee for approval, who will forward it to the Chair on approval. **Make sure that you follow the Graduate Handbook in preparing this.** List only courses that you have taken or plan to take in the PhD Program. If you already have an M.S. degree from another university or have taken graduate courses elsewhere, please attach a list of such courses that you request the GSC to consider towards the ECE credit requirements for your PhD degree. **Please submit course descriptions from the other universities' catalog, the course syllabus and detailed course information such as the first day handout, etc.; have your major professor suggest equivalent course(s) at LSU, if any. Also, submit an English translation where needed.** Note that the ECE department is not transferring any courses from other universities to LSU by considering courses from other institutions acceptable for your PhD program.
