SEMINAR

Louisiana State University

Deregulation of the U.S. Electric Power Industry

Fred Denny

Department of Electrical and Computer Engineering

Louisiana State University

Abstract—The electric power industry is the last of the major industries in the United States to undergo deregulation. Dr. Denny will discuss the past performance of the industry, the motivation for deregulation, the industry restructuring that is now taking place, and the future technical challenges that must be addressed.

When: Tuesday, 19 October 1999, 19:00 - 19:30

Place: 145 EE Building
