Electrical & Computer Engineering
SEMINARS
Louisiana State University

OCT
1
13:30

Reinforcement Learning Feedback Control Using Reduced Output Measurements
F. L. Lewis
University of Texas at Arlington Riverbend
Friday, 1 October 2010, 13:30 - 14:30, 117 Electrical Engineering Building

NOV
15
13:15

Statistical Fault Detection and Analysis
Greg Bronevetsky
Lawrence Livermore National Laboratory
Monday, 15 November 2010, 13:15 - 14:15, 117 Electrical Engineering Building

Schedule prepared 8 November 2010. For the latest schedule (which includes past talks), abstracts, and PDF announcements suitable for posting visit `http://www.ece.lsu.edu/seminar`.
