About the test 1

- The test 1 will take place on Wednesday February 28, 2007. It will be closed books, closed notes, no calculators, no computers. You will be responsible for handouts 0, 1, 2, 3, 4, 5.
- Write your comments about me and the course in advance. Do not put your name on the comments. During the test I will bring in class an envelope. Put your comments in the envelope and write your name outside of the envelope. This way you will get 5 bonus points.
